  June 2018 - April 2019

EXPERIENCE

Mini Projects

- Tribute Page for Indian Farmers

  React js | HTML | CSS : Designed and implemented a responsive tribute page for Indian farmers. Showcased a commitment to impactful frontend development and user-centered design in highlighting the contributions of farmers.

- Career Crafter – Job Portal

  MongoDB| Express js| React js |Node js : Developed a full-stack job portal using the MERN stack, allowing seamless interaction between job seekers and recruiters. Implemented individualized login/signup flows for both roles, empowering job seekers to view and apply for all posts while enabling recruiters to manage and add new job listings.

- SwiftTick - Todo list Manager

  React | HTML | CSS | Bootstrap | JS | Node.js | Local Storage - Simplify task management with an intuitive todo list manager. Developed using modern technologies, it offers a seamless interface for efficient task organization and enhanced productivity.

INTERNSHIP

- Web Development Internship @ CodeSoft

  05-02-2024 to 05-03-2024 | Virtual Internship.
  Immersed in full-stack web development, gaining practical experience in building modern web applications.
